We reserve the right to change and/or modify nutritional information as necessary without notice.

 Nutritional data is rounded to meet current U.S. FDA NLEA guidelines. Percentage data for vitamins and minerals refers to percentage of U.S. Daily Values for a 2,000 calorie diet.

In certain regions of the county some Sertinos may serve or be testing menu items which are not listed in the nutritional information provided.
These menu items may contain different/additional ingredients, including allergens, as compared to the standard versions.

## Allergen Statement

Many of our products contain or may come into contact with common allergens, including wheat, peanuts, soy, tree nuts, milk, eggs, fish and shellfish.
 However, some menu items may not be available at all restaurants. Expect variations in the nutrient content of the food products purchased in our restaurants.
